the anthem companion to ernst troeltsch is the first collection of essays in english devoted to the thinking of ernst troeltsch the eight essays are written by scholars who have been recognized as major contributors to works on troeltsch many of them have published books on his theology these essays are devoted to exploring troeltsch s ethical sociological and political ideas in addition to his theological concepts the collection aims to depict troeltsch as a major sociologist and important philosopher in addition to being one of the most significant german theologians of the late nineteenth and early twentieth centuries

the last generation of german jewish philosophers brought the long tragic history of german jewish creative thought to a close in a blaze of glory while transitioning to the new jewish creative centers in israel and america the best known buber rosenzweig baeck strauss scholem and the less known breuer birnbaum klitzkin aviad wolfsberg guttmann are thoroughly explicated here with generous primary text citations appearing in english for the first time making this a rich sourcebook and reference for the thinkers presented

this book examines the largely neglected shift in max weber s work from political economy to economic sociology considering the importance of his recognition made during his research on the protestant ethic of the reciprocal influences that exist between economics and society and the role of this realization in prompting him to rethink the study of political economy the author sheds fresh light on his emerging belief that the study of the relationship between economic factors and social issues required a new discipline a study that charts an important development in the thought of one of the founding figures of sociology this volume will appeal to scholars of social theory with interests in the history of the field and the legacy of max weber

basing his research on gramsci s theory of hegemony rehmann provides a comprehensive socio analysis of max weber s political and intellectual position in the ideological network of his time max weber modernisation as passive revolution

shows that even though weber presents his science as value free he is best understood as an organic intellectual of the bourgeoisie who has the mission of providing his class with an intense ethico political education viewed as a whole his writings present a new model for bourgeois hegemony in the transition to fordism weber is both a sharp critic of a passive revolution in germany tying the bourgeois class to the interests of the agrarian class and a proponent of a more modern version of passive revolution which would foreclose a socialist revolution by the construction of an industrial bloc consisting of the bourgeoisie and labour aristocracy 1998 argument verlag gmbh hamburg translated from german max weber modernisierung als passive revolution kontextstudien zu politik philosophie und religion im Übergang zum fordismus
